Description

Ten ACRES with Stunning views - fabulous location - close to 5 beautiful golf courses, skiing on two great mountains, and snowmobiling adventures galore! The opportunity is ready for a Legacy Family Home with Hobby Farm or some creative development. Helicopter landing allowed and close to Pemberton Airport for small planes. Horses would love this location. Imagine experiencing Mount Curry from your deck with access to Whistler just 25 minutes south. Rare to find a 10 acre site with flexible development opportunities located on the Village services grid. Existing structures include a river launch site, a covered outdoor area and a barn. Wedding Venue? Lots to discuss about this property. Priced to sell.
