Description

Ever dreamt of your own farm in a beautiful valley? This property, with its stunning mountain, meadow and river views, located in Pemberton Meadows delivers on the dream of owning a farm in a beautiful valley. The private flat 40.5 acres is located 25 km from the Pemberton Village or a 55 minute drive to Whistler, one of the world's top rated four season destination resorts. Due to the size of this country estate, self-sustainability is a given with the opportunity for a market garden, pasture for your animals, or continuing with the existing hay crop. The soil is sandy loam which will enable you to grow most anything with excellent sun exposure from 7am until sunset during the growing season. Become a steward of this beautiful farmland, build your off-grid home, and enjoy quiet country.
