Description

LOCATION LOCATION LOCATION

A diamond in the rough within easy walking distance to downtown, high school, and friendship trail. ALR zoning allows for single home with secondary suite. Amazing views of Mt Currie plus surrounding mountains. Numerous outbuildings in place to store what you grow, shelter for animals, riding arena, cover for farm equipment, workshops, farm storage, you name it. Would make an excellent site for a farmers market, greenhouse, cannabis facility, organic gardens. Up to 10 events per year allowed for up to 150 people on property with farm status. The level sunny 4.62 acres backs on to the Glen subdivision and Arn Canal...the possibilities are endless...location, location, location!
