Description

Looking for a house to renovate to your needs? This property is priced with full renovation in mind. Located in the center of Pemberton with beautiful views of the High School campus and the spectacular back drop of Mt. Currie, all of Pemberton's amenities are only two blocks away. The upper main floor has impressively large living spaces, including 3 bedrooms and 2 bathrooms plus a one bedroom suite on the lower floor. Good-sized 8200 sq.ft. lot on a quiet cul-de-sac lane. Not for the faint of heart, but great potential for a lovely home after the renovation.
