Description

SPEND MAGICAL DAYS AND NIGHTS IN THIS PRIVATE PIECE OF PARADISE

Located on one of BC's only white sandy beach islands, this fully renovated cottage is the place for family memories in the making. Located just 2½ hours via car and ferry from Vancouver, or 20 minutes by sea plane, getting here is quick and easy. The cottage is close to the public dock, which is serviced year round by water taxis, and literally steps to the sugar sand beaches. Excellent potential for unique vacation rental opportunities. Properties like this rarely come available.
