Description

RURAL CHARM WITH LOTS OF POTENTIAL FOR FARMING AND SPACE FOR KIDS

One of Pemberton's quietest best kept secrets, 1531 Fraser is one of those rare addresses where you are an easy bike or walk to town yet it feels like you live in the country. The property backs onto the Lillooet River which makes it even more unique with private access to river frontage. Horse lovers, runners, and hikers - you are just around the corner from the Pemberton's Valley loop trail and the property is perfect for livestock and equestrian.
