Description

Straight from a storybook, this immaculate 5+ acre hobby farm is the epitome of a quiet, sun-drenched oasis. The charming 4 bdrm/3 bath family home has patios perfect for entertaining that take advantage of the surrounding mountain views, spring waterfalls and Poole Creek (bordering the entire property). 1750 sq ft. barn/workshop with tack room, a hay barn, insulated chicken coop, a 100' drilled well and fencing around the entire property, makes this ideal for the horse or animal enthusiast. Located in a sunny pineapple belt, the longer growing season is perfect for your 60' X 100' permaculture designed Mandala veggie & berry garden and abundance of mature fruit trees. Welcome to your little piece of heaven!
