Description

Centrally Located Condominium One Block
from West Van Community Centre and Sea Wall

You must see this beautifully renovated 2 bedroom 2 bathroom corner suite in The Vandemar building. With south west views to Spanish Banks and beyond, and only one block up from the sea wall, this condominium is one of those tough to find opportunities in West Vancouver at a great price. There are only three suites per floor and you are centrally located within a short walk to the community centre, library, shopping, and cafes.

* Please note the furnishings and decorative accessories of the current owner are different to those shown here.
