Description

Six Acre Development Property
Just Five Minutes From Town.

This prime development site, set against a majestic Mt. Currie backdrop, is centrally located for convenient access to everything Pemberton outdoors including biking and hiking trails, Den Duyf park playing fields, and plenty of year-round sunshine. Close to schools, amenities, and town centre, Lot C is directly across from the exciting new Sunstone and Ridge communities. One of the few remaining development sites in Pemberton, there is potential for homesites, multifamily, or rentals. Get in on the housing boom or hold the property and sell the gravel and stone reserves. This opportunity is a diamond in the rough awaiting creative ideas.
